

Companies, Entities, manufacturers who obtained EPCG licence and imported goods at concessional duty, signed LUT Legal Undertaking with government and failed to export as per export obligation . generally five times the import amount. I want to know for the years prior to 1995 and for period 1995 to 2005 and for 2005 to 2010 how many 1. Companies defaulted in meeting the export obligation. 2. How many settled their cases by paying the duty saved along with interest thereon. 3. How many cases are pending in High Court in connection to this. 4. How many cases, appeals are pending with DGFT. 5. How many companies have paid the penalty amounting to 5 times the export obligation How many importers under EPCG scheme have been allowed to settle their dues by paying the Duty Saved along with interest in the year 2014, 2015, 2016
